JOE BODOLAI, SATURDAY NIGHT LIVE

Martin Dubé built his career on a whim through impulse and daring gambles. Who would have thought that this Montrealer would sing at the biggest venues on the planet. At a show, he meets Saturday Night Live producer Joe Bodolai, who then becomes his scriptwriter. When he performed at the Båle's Festival in Sweden, the director of the Moulin Rouge in Paris hired him for a series of 67 shows! One of his greatest memories was cohosting the 75th annual Oscar pre-gala with Golden Globe winner and Oscar nominated actress Kate Hudson.
